## Sponsors' Reception Hosted by Live Cuisine

.....

The 2010 Canada Day Sponsors' Reception is being hosted by **LIVE Cuisine** at the Living Arts Centre. From reserved underground parking, guests step off the elevator and into the delightful reception venue where they are treated to a lovely evening of food and entertainment. With outdoor patio seating, sponsors take in the excitement of the crowds while enjoying the musical talents of violinist Grenville Pinto, and indulging in delicious snacks and beverages. The night is capped off in style as guests take in the biggest and best fireworks show in the GTA from the comfort of the **LIVE Cuisine** reception. In addition to amazing exposure in print and other marketing efforts including 25,000 Programs, all sponsors receive invitations to this wonderful annual event.

*Canada Day in City Centre provides an ideal way to position your business as a community leader by supporting an extremely successful and popular event.*
